## **BANDS IN GREENVILLE**

The Greenville Lion Pride Band was founded in 1931. Over the past 90 years, we have built a rich tradition of excellence while providing a positive music education experience for thousands of students.

The Greenville High School band program currently consist of over 150 students consisting of concert ensembles, jazz band, and color guard.

**“I firmly hold that being involved in the Lion Pride Band program has not only changed my life in the short term but also equipped me with the skills to confidently enter the real world. It is of utmost importance that the community continues to support our distinctive activity that provides a fun, safe environment while providing lessons on leadership, work ethic, discipline, and sportsmanship. Without a doubt, I urge all intermediate students to consider us for their elective of choice and the community to extend their extraordinary support.”**  
*-Sebastian Gonzales, Senior Drum Major*
