

Dear Parents and Guardians of our new 6th Grade band members!

Welcome to the Greenville 6th Grade Lion Pride Band Family!! We are so excited to have you join us while you learn to play the \_\_\_\_\_!! Please have your class supplies (listed below) by the first day of school. Your instrument supplies (on the back of this page) will need to be brought to school or ordered before the third week of school.

If you would like to purchase your instrument and supplies in advance after our Instrument Selection meeting, you can visit The McKay Band House store in Garland or Sulphur Springs. Please ask for the Greenville 6th Grade “Recommended Instrument Supplies List” for Beginning Band—they will have everything your student will need for their instrument. For percussion students, you will need to visit Lone Star Percussion in Dallas. They also have a “Recommended Supplies List” for our beginning percussion students. *Please only purchase supplies from our “Recommended Supplies List”, which is located on the back of this page and through The Band House.* There are other options available, but the items on our list are what we have deemed the best value and product for our students to be successful—other instruments and supplies will not be the best quality for your money. If you have any questions about a product or instrument, please email me at [matticek@greenvilleisd.com](mailto:matticek@greenvilleisd.com). I will be happy to answer any questions or check any products or instruments!

For your convenience, **The Band House Music Store will be in Greenville on August 19th from 4:00 to 7:00pm** for parents to get instruments and instrument supplies. If you are not able to attend this event, The Band House also offers an online rental and order system with our school! To access this option, go to **thebandhouse.com** and click on the “Rental” tab at the top of the page. Once there, you’ll put in all the information for Greenville’s 6th Grade center and click on the instrument your student will be playing! The website will then show you all necessary supplies for that instrument and allow you to purchase online for everything to be delivered to the school!

Each student will need a few class supplies as well and should have these on the first day of school. The supplies each student will need are:

- 1 pack of pencils
- 8 dividers
- 1” 3-ring binder
- Pencil Bag for binder
- Notebook paper for binder

Please contact me if you have any questions. We look forward to another great class of musicians here with the Lion Pride Band!!

Musically,

Kelsey Mattice

Director of 6th Grade Center Bands
